

KINGDOM BUILDERS

PURPOSE

The 2026 Kingdom Builders Fund helps identify investments that will accelerate our growth. We planned to initiate the projects on the menu at some point, but extra funds will enable us to move them forward sooner rather than later. Think of this as a future-oriented, revolving wish list of strategic projects we can engage as funds become available.

The Kingdom Builders Fund is supported with special contributions beyond the 10% tithe.

PHILOSOPHY

Generosity begins in the heart and follows obedience. When we discover the joy in giving obediently, our heart posture changes, and we are made ready to take that step into becoming a sacrificial kingdom builder.

When we tithe, we're practicing obedience . . . when we give sacrificially—over and above the tithe—we're practicing generosity.

"Bring the whole tithe into the storehouse, that there may be food in my house. Test me in this," says the Lord Almighty, "and see if I will not throw open the floodgates of heaven and pour out so much blessing that there will not be room enough to store it."

MALACHI 3:10, NIV

STEWARDSHIP

Practically, the Kingdom Builders Fund will function like a kingdom-serving index mutual fund. Money will be pooled to accelerate the initiatives listed on the menu.

Strengthen Our Team

We equip our leaders for ministry, identify future leaders, and deploy them into service. Healthy churches need healthy leaders.
